

WHAT IS THE VALUE OF SOMETHING?

UPCOMING EVENTS | AUGUST EDUCATION SERIES:

What's It Worth?

Date: Wednesday, August 17th
Time: 2:00pm-3:00pm
Where: Ecumen Pathstone Latitude – Cardinal Point Learning Center
Address: 115 Rogers Street | Mankato, MN 56001

Description: *What is the value of something?* Have you ever wondered why some things maintain value as time goes by and other items become a dime a dozen? Join us for a fun learning opportunity about the value of things. We'll break down the components that drive the value of your "stuff." We'll use real-world examples to have fun estimating what they are worth and best of all, you can **bring an item or two of your own to find out the current fair market value.** Join us for fun & learning at "What's It Worth?" **Masks required.***
